- five-string configuration with peghed® planetary tuning pegs - \$3,400
- six-string configuration with peghed® planetary tuning pegs - \$3,600
- other finish colours - additional \$200

WARM GOLDEN-BROWN

Transparent layers of finish producing a color similar to Burma teak.

BURGUNDY

Transparent layers of finish producing a color like red wine and mahogany.

AUBERGINE

Transparent layers of finish producing a deep dimensional color like an eggplant (a very old traditional color from India).
